We want to be known as an institution that is making a difference to the lives of those who are studying here. Our mission is to inspire, broaden perspectives, pursue excellence, transform lives and celebrate achievements.

OUR PATRON

St. Aloysius Gonzaga, the Patron of our college and the patron of youth, despite his exposure to a “society of fraud, dagger, poison and lust” decided to be different. His decision to be faithful to his conscience more than his family, friends and relatives changed the destiny of his life. St. Aloysius Gonzaga was the firstborn in a powerful Italian noble family. As a son of princely family, he grew up in royal courts and army camps. His father wanted Aloysius to be a military hero. At the age of seven he experienced a profound spiritual awakening. At the age of nine he came from his hometown of Castiglione to Florence to be educated and by the age of eleven he was teaching poor children. When he was 13 years old he travelled with his parents and the Empress of Austria to Spain and acted as a page in the court of Philip II. The more Aloysius saw of court life, the more disillusioned he became, seeking relief in the experience of God.
