No Vehicle Day

St. Aloysius Degree College has initiated a green practice to promote environmental consciousness on our campus. In this regard, the 2nd Saturday of every month will be observed as 'No Vehicle Day'. On this day, 2/4-wheelers will not be allowed in the college campus.

We encourage all staff and students to support this initiative by finding alternative modes of transportation such as walking, cycling, or using public transportation on 'No Vehicle Day'.

This small change can have a significant impact on reducing carbon emissions and promoting a cleaner and greener environment.

Plastic-free Campus Initiative

St. Aloysius Degree College is launching a plastic-free campus initiative for the academic year 2019-2020. It aims to reduce the use of single-use plastics on our campus.

We encourage all students and faculty members to support this initiative by:

1. Bringing reusable water bottles and containers to campus.
2. Avoiding the use of plastic bags and opting for eco-friendly alternatives.
3. Properly disposing of waste in designated recycling bins.

"Save Water and Eco-Friendly Environment" initiative

A "Save Water and Eco-Friendly Environment" initiative St. Aloysius Degree College on 29th January 2020. As a responsible educational institution, we are committed to promoting sustainable practices and environmental conservation on our campus.

We encourage all members of the college community to take the following actions:

- *Conserve water by turning off taps when not in use and reporting any leaks promptly.*
- *Use water responsibly in restrooms and common areas.*
- *Reduce paper waste by opting for digital communication and printing only when necessary.*

Regarding Restriction of Vehicle Entry on Campus

It has been brought to our attention that the entry of two-wheeler and four-wheeler vehicles on campus during working hours is causing disruptions to classes, examinations, and posing a safety threat to the teachers and students at St. Aloysius Degree College. We have decided to implement restrictions on vehicle entry during specific hours.

Effective immediately, the entry of all types of vehicles belonging to students, parents, and visitors will be restricted from 8.30 am to 1.30 pm on all working days.

Students are advised to park their vehicles in the designated parking area during this time. Exceptions to this restriction may be granted on special occasions with prior approval from the Principal.

St. Aloysius Degree College with necessary precautions in place to ensure the health and safety of our students during the on-going COVID-19 pandemic. As we resume in-person classes, it is important for all students to adhere to the guidelines and protocols outlined below:

- 1. Mandatory wearing of face masks: All students must wear face masks while on campus premises at all times.*
- 2. Social distancing: Maintain a safe distance of at least 6 feet from others in classrooms, common areas, and during interactions with faculty and staff.*
- 3. Hand hygiene: Practice regular handwashing with soap and water or use hand sanitizers provided throughout the campus.*
- 4. Health monitoring: Monitor your health daily for any symptoms of COVID-19. Stay home if you are feeling unwell or experiencing any symptoms.*
- 5. Compliance with college guidelines: Follow all guidelines and directives issued by the college administration regarding COVID-19 safety measures.*

We are committed to providing a safe learning environment for all students and appreciate your cooperation in following these precautions. Together, we can ensure the well-being of our college community.

SADC-Circular/Green Campus Initiative /2022-2023

Date: 30.01.2023

CIRCULAR

The launch of a "Green and Clean Campus" initiative at St. Aloysius Degree College on 30 January 2022. As part of our on-going commitment to sustainability and environmental stewardship, we are dedicated to creating a campus that is both environmentally friendly and aesthetically pleasing.

To support this initiative, we urge all Aloysians to participate in the following activities:

1. Properly dispose of waste in designated recycling bins and refrain from littering on campus grounds.
2. Participate in campus clean-up drives and volunteer for environmental conservation projects.
3. Plant trees and maintain green spaces on campus to enhance the natural beauty of our surroundings.
4. Conserve energy by turning off lights and electronic devices when not in use.
5. Support sustainable practices and initiatives that promote a greener campus environment.
