External Assessment

External Assessment

The coordination of external assessments at our affiliated college adheres strictly to the guidelines and directives provided by the Bengaluru North University (BNU). The University confidentially dispatches External Assessment (ESA) question papers to the Principal via the BNU exam dispatch center. The exam office possesses the capability to swiftly arrange the required number of question papers and distributes them within the prescribed timeframe. Examinations are conducted in monitored halls equipped with surveillance cameras, with one invigilator assigned for every 36 students. Oversight of the examination process is provided by the Principal and the Senior Superintendent of Examinations, while inspection teams from the University conduct squad duties to ensure exam integrity. Answer sheets are forwarded to the University for Evaluation, and faculty members participate in the assessment process by attending valuation camps. The Examination cell offers guidance and timely instructions to students regarding external exams, including procedures for revaluation and applying for supplementary or improvement exams.
