1.4.1: Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Employers, Alumni etc. and action taken report on the feedback is made available on institutional website.

The institution obtains Feedback from the following stakeholders:

1) Students
2) Teachers
3) Employers
4) Alumni
5) Parents

The Feedback collected is analysed and an observation report is formulated, also an action taken report is generated by communicating the report to the Governing Council body after which the feedback is hosted on the institutional website.

The following data collections were done in the year **2019-2020** and the analysis is shown in the form of graphical representation. The findings and observations of the feedbacks are mentioned in the same document containing the survey graphs.
