## REPORT ON NATIONAL SEMINAR ON RESEARCH AND FINDING PRIMARY SOURCES

In today's digital age, where information overload is the norm, it's essential for researchers to be able to distinguish and extract primary sources. In recognition of this, the Department of Library Science, in partnership with Little Flower Degree College and St. Aloysius Degree College, and the Post Graduate Research Centre, organized a National Seminar on "Research and Finding Primary Sources." The event was held on August 2nd, 2023 at 12.30 p.m. via Zoom Platform. The distinguished guest speaker was Dr. G Karthik Reddy, an Associate Professor in the Department of Electronics and Communication Engineering at MLR Institute of Technology, Hyderabad. Dr. Reddy brought a unique perspective, combining his engineering expertise with research methodology. His insights into finding primary sources in technical fields struck a chord with the diverse audience, highlighting the seminar's universal relevance. Our Principal, addressed the participants and praised their active participation. The program was convened by Ms. Jayanthi Reddy of Little Flower Degree College, Uppal, Hyderabad. Certificates were given to all attendees. The seminar was a ray of hope for all researchers who navigate the complex information landscape in pursuit of groundbreaking discoveries.
