PLATFORM: GOOGLE MEET

Date: August 29, 2023

Time: 3:00 PM

Venue: Online via Google Meet

Organizers: St. Aloysius Degree College & Post Graduate Research Centre, Bengaluru, and Northeast Institute of Social Sciences & Research, Dimapur, Nagaland

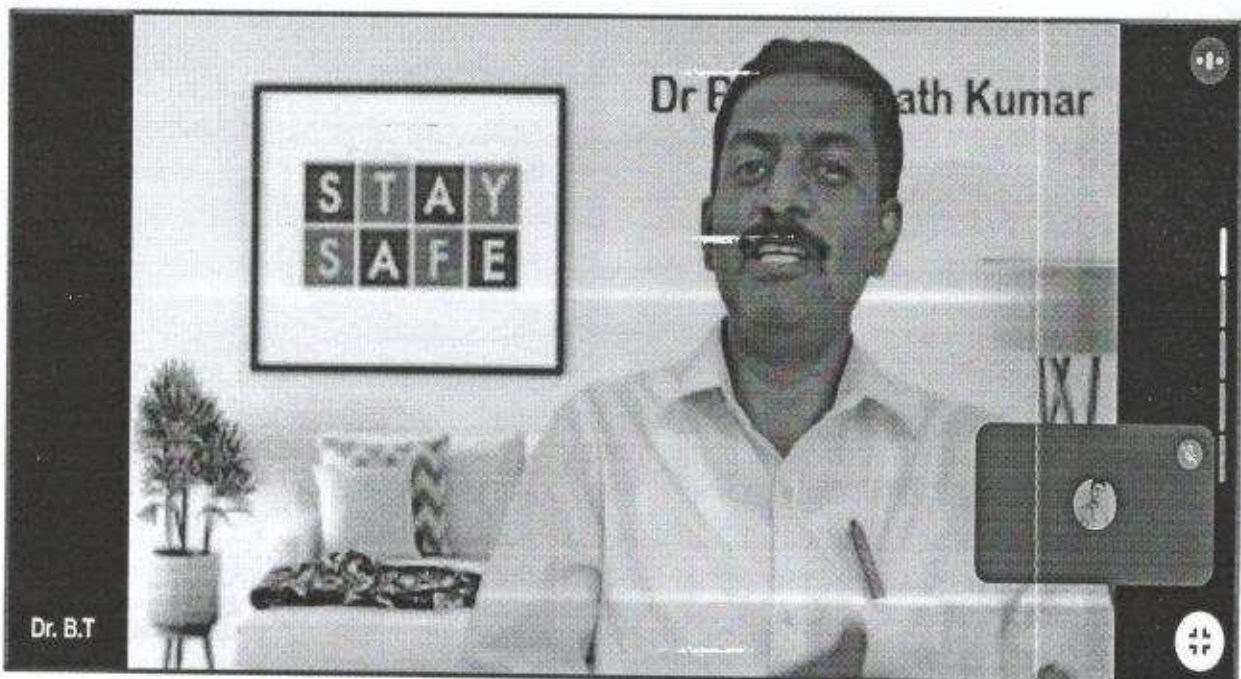

Topic: Best Practices in the Library

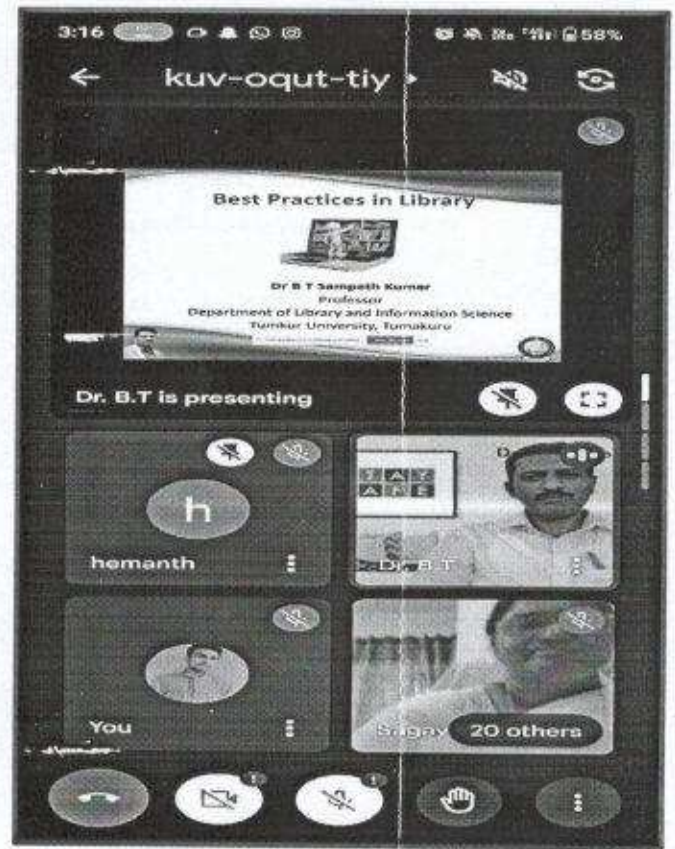

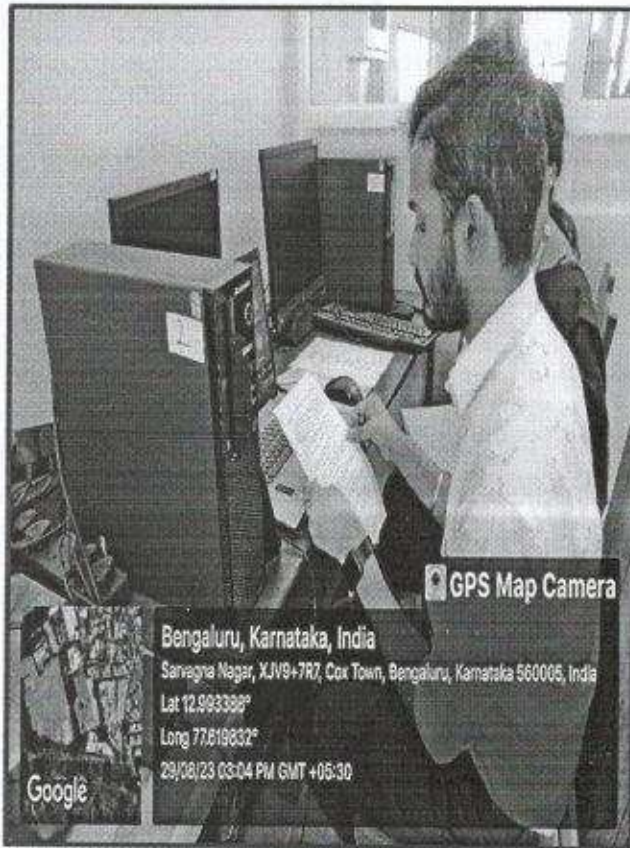

The St. Aloysius Degree College & Post Graduate Research Centre, Bengaluru, in collaboration with the Northeast Institute of Social Sciences & Research, Dimapur, Nagaland, successfully conducted a National Level Webinar on "**Best Practices in the Library**" on August 29, 2023. The event aimed to bring together educators and professionals to discuss and share insights into effective library management and practices. The event was conducted online via Google Meet and targeted faculty members from various institutions. The webinar commenced with a warm welcome to all participants and attendees. Dr. Sr. Sagayamary B, Principal of St. Aloysius Degree College, delivered the principal address, expressing her gratitude for the participation and emphasizing the importance of libraries as centers of learning and knowledge dissemination. She highlighted the need for continuous improvement and innovation in library practices to cater to the evolving needs of students and researchers. Dr. Fr. C.P Anto, Principal of Northeast Institute of Social Sciences & Research, extended his greetings to the audience. He stressed the role of libraries in promoting research and education and encouraged participants to actively engage in the discussions to derive maximum benefit from the webinar. The main session was led by the distinguished speaker, Dr. B.T Sampath Kumar, Professor, Tumkur University. Dr. Sampath Kumar is an authority in the field of library and information sciences, bringing a wealth of experience and expertise to the event. His session focused on sharing best practices that can enhance the functioning of libraries in today's digital age. Some key topics covered during his session included: **Digitalization and Access, User-Centric Services, Data Management and Preservation, Information Literacy Programs, INFLIBNET.**

The event concluded with a vote of thanks, acknowledging the efforts of the organizers, speakers, and participants in making the webinar a success. In conclusion, the National Level

Webinar on "Best Practices in the Library" organized jointly by St. Aloysius Degree College & Post Graduate Research Centre and Northeast Institute of Social Sciences & Research proved to be an insightful and informative platform for educators and professionals to delve into the evolving landscape of library practices. The event provided a valuable opportunity for participants to learn from experts, exchange ideas, and contribute to the advancement of library services in educational institutions.

Webinar Report: Awareness on Investment Opportunities

Date: 17th November 2023

Duration: 2:30 pm – 4:30 pm

Organizers: Commerce Department, St. Aloysius Degree College Bangalore, in collaboration with Little Flower Degree & PG College

The webinar on "Awareness on Investment Opportunities" held on 17th November 2023, was a collaborative effort between St. Aloysius Degree College Bangalore and Little Flower Degree & PG College. Aimed at enlightening participants about various investment avenues, the session proved to be insightful and engaging.

Overview:

The webinar commenced at 2:30 pm and lasted for two hours until 4:30 pm. Mr. Karthick C. S, the Co-founder of Knowise, served as the esteemed resource person, bringing in his expertise to guide the participants through the labyrinth of investment opportunities.

Attendees:

The audience comprised both faculty members and students from both participating colleges, demonstrating a keen interest in augmenting their knowledge about investments. Their active participation and interaction throughout the session added vibrancy to the webinar.

Program Management:

The seamless execution of the webinar owes much to the proficient management by Prof. Zeena Lobo and Prof. Immaculate from the Commerce Department. Their adept handling ensured a smooth flow of the session, allowing the participants to derive maximum benefit from the discussions.

Key Highlights:

Insights into Investment Avenues: Mr. Karthick C. S delved into various investment options, ranging from traditional avenues like stocks and bonds to contemporary options such as cryptocurrencies and peer-to-peer lending platforms. Participants gained a comprehensive understanding of the risks and returns associated with each option.

Risk Management Strategies: The session emphasized the importance of risk management in investment decisions. Mr. Karthick elucidated various strategies to mitigate risks, including diversification, asset allocation, and thorough research before investing.

Emerging Trends: Participants were enlightened about emerging trends in the investment landscape, such as sustainable investing and impact investing. The discussion shed light on how investors can align their financial goals with societal and environmental concerns.

Interactive Q&A Session: The webinar concluded with an interactive question-and-answer session, where participants had the opportunity to seek clarifications and delve deeper into specific investment-related queries. Mr. Karthick's insightful responses further enriched the learning experience.

Conclusion:

The webinar on "Awareness on Investment Opportunities" proved to be a resounding success, equipping participants with valuable insights to make informed investment decisions. The collaborative effort between St. Aloysius Degree College Bangalore and Little Flower Degree & PG College facilitated a synergistic learning environment, fostering intellectual growth and financial literacy among the attendees. Such initiatives play a pivotal role in empowering individuals to navigate the complex world of investments with confidence and prudence.

Acknowledgment:

We extend our heartfelt gratitude to Mr. Karthick C. S for his invaluable contribution as the resource person, as well as to Prof. Zeena Lobo and Prof. Immaculate for their exemplary management of the program.

This report encapsulates the essence of the webinar, highlighting its objectives, proceedings, and outcomes, thereby encapsulating a fulfilling learning experience for all participants.

Recruitment for B.Com and BBA

11th July 2023, the Placement Cell of St Aloysius Degree College collaborated with Star Health Insurance Company to organize a Career Guidance Program and Recruitment Drive. The event featured Mr. Sanjeev Sinha, a prominent figure in the insurance industry, as the speaker. The aim of the event was to offer a comprehensive blend of career guidance and practical information about the recruitment process. During the event, Mr. Sinha explained the functions and responsibilities of insurance agents. He highlighted how agents act as intermediaries between insurance companies and clients, providing customized insurance solutions, guiding clients through policy options, and facilitating claims processing. The Placement Cell provided on-site support to help students fill out applications and submit their resumes. After the event, twenty-five students submitted their resumes, and four of them were shortlisted for the IRDA exam. Those four students have now been successfully placed as insurance agents with STAR Health Insurance.
