Policy Document on Tests and Exams

(Internal Assessment)

There is a test after six weeks of the semester of 90 minutes duration. If a student fails, he has to do assignments and meet with the subject teacher who would conduct an oral exam. If the teacher is satisfied with the student's performance, the failed student takes a re-test. The preparatory examination is of three hours and all students are expected to take the exams. If any student fails, they will complete their assignments pertaining to the paper and write a re-exam. Students who are unable to attend the exams due to emergencies should inform the principal in person on the very day of the exams. Both the test and the preparatory examination is part of the internal assessment.
