Staff and students participated in the Public hearing from the victims of domestic violence in AWEKSHA'

Public Hearing | 24th June 2023- Aweksha organised a public hearing for survivors to share their journeys of struggle, resistance and resilience. The women narrated harrowing tales of physical torture as well as diverse forms of mental and emotional abuse that they faced in their marriages. The hearing provided a safe space of empathetic and non-judgmental listening. From the stories, it was evident that abusers follow similar patterns, and speak the same language of control and of power. The hearing was attended by Raghavendra Shettigar, Deputy Secretary, Karnataka Legal Services Authority (KLSA); Geeta Rameseshan, advocate, legal scholar and women's rights activist; and Sangeeta Rege, Director - CEHAT, feminist scholar, counsellor and researcher.

International Day of the Girl Child is celebrated in college. The observation supports more opportunity for girls and increases awareness of gender inequality faced by girls worldwide based upon their gender. This inequality includes areas such as access to education, nutrition, legal rights, medical care, and protection from discrimination, violence against women and forced child marriage.
